- Stalls are mandatory. Picket lines may be used in the event stalls are unavailable, but must be tied between trailers, not to trees. Damage to a tree will result in a charge of \$150 per tree. No pens of any kind allowed.

- Manure bunkers are located throughout our facility. We require that all manure cleaned from stalls or trailers be placed in one of the storage sheds effective January 1, 2004.

Animals may be bathed in camp only at the horse wash effective January 1, 2005. Please help us keep our campground in good condition by not spraying animals down at barns or campsites.

- Stay on designated trails and abide by all No Horse or No Trespassing signs. Some of our trails cross privately owned property, which the owner has given us permission to cross. We do not want to abuse their generosity.
